

PRESS RELEASE

WTG Wins Zoom Partner Sales Award '2023 EMEA Rising Star'

- › Award honors WTG's excellence in Zoom partner sales

San José, CA, U.S.A./Berlin, Germany, October 5, 2023 – The German based WTG communication GmbH is a recipient of the 2023 Zoom Partner Awards from [Zoom](#) Video Communications, Inc., commending the company's impactful achievements and ingenuity. The award was presented to WTG in the category EMEA Rising Star Partner at Zoomtopia Partner Connect held in San José, California.

Partner Connect is a partner-focused event at Zoomtopia designed to inform and inspire partners on Zoom's vision, how they can elevate their Zoom practice, take advantage of new program updates, and celebrate their successes.

The award program recognizes organizations that have strategized impactful business plans with Zoom, resulting in increased alignment and distinguished sales and marketing accomplishments. WTG is this year's EMEA Rising Star Partner Award recipient.

"At Zoom, we recognize the tremendous value our partners bring to both our company and customers, which is why we are excited to highlight their ongoing commitment and dedication to Zoom through our annual Partner Awards," said Todd Surdey, Head of Global Channel and Business Development at Zoom. "Zoom's partners are pivotal as we continue to expand our all-in-one intelligent collaboration platform. From Zoom Contact Center, Zoom Team Chat, Zoom Phone, and more, our partner community has worked tirelessly to help customers stay connected. We commend their innovation, dedication, and exceptional results."

In Germany, the solution- and service provider WTG acts as a leading partner for Zoom Phone and Contact Center solutions, drawing on over 100 years of experience in the telecommunications industry. Today, WTG has established itself as a committed driver of digital transformation specializing in smart and secure cloud solutions to optimize business processes and improve customer experience. Its long-standing expertise in audio visual technology has been confirmed through certifications in record time attesting WTG's award-winning status.

"Zoom can do much more than video communication: A whole universe of solutions for better collaboration and increased productivity has developed around the familiar video conferencing system," emphasizes Thomas Neuendorf, Sales Manager at WTG, the vast advantages of the all-in-

one solution. “This is how 21st century employee and customer communication works!” comments Dirk Walla, CEO at WTG. “We are very grateful for the fruitful partnership with Zoom – and proud of the Partner Award WTG received, which clearly reflects the extraordinary business success of our WTG Cloud plus Zoom.”
